16 March 2009

Dear Simon

Bird Samples - Our Reference 26-B0069-03-09

Please find enclosed frozen samples of gizzard content, liver, skin and body fat labelled 1 and 2 for phosphorus analysis. Sample 1 was from a mute swan and sample 2 from a mallard duck. Both of these birds were found dead.

*Remove feathers
and keep. Just analyse
the skin.**NJB
24.3.09**checked
with**Invoice*

Please could the invoice be sent to Mr Tom Dutton at Rhodia UK Limited, PO Box 80, Trinity Street, Oldbury, B69 4LN.
