Dear Mr Tan,

Your request was received on 27 July 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

*Could you kindly provide the statistics for the number of mature applicants for Mathematics, those who were made an offer and mature Mathmo students *in each college* in Cambridge and their *STEP results* from 2012 to 2019?*

The requested information is attached. The University has not supplied the college of applicants paired with their STEP results because, coupled with the other information, it believes that individuals could be identified as a result. In presenting the information in this way, the University is engaging the exemption at section 40(3A)(a) of the Act because its release would breach the first data protection principle (the fair, lawful and transparent processing of personal data) as set out in the General Data Protection Regulation. This part of section 40 confers absolute exemption under the Act.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The
