Dear Mr Roberts

FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

I am writing to confirm that we have now completed our search for the information you requested on 27.05.2020.

A copy of the information that you requested is shown below.

Please direct me to the Minutes of the Council Meeting where this matter was decided as reported in the Blackpool Gazette, in particular all discussions relating to concerns about adverse effects on Resident's health and wildlife.

There are no specific council meeting minutes where 5G specifically was discussed. If you can advise further regarding the meeting that the issue was discussed at or a copy of the gazette article we can check further.

However the Full Fibre Network, which is related to 5G, was discussed at the 21 January 2019 meeting of the Executive. Details of which can be found here:
<http://democracy.blackpool.gov.uk/ieListDocuments.aspx?CId=135&MID=5103#AI18116>

The Tourism, Economy and Communities Scrutiny Committee also discussed the network at its 9 October 2019 meeting, details of which can be found at:
<http://democracy.blackpool.gov.uk/ieListDocuments.aspx?CId=364&MID=5512#AI21413>

Please also direct me to details of all Public Consultations that were carried out beforehand.

Not applicable.

Please also advise me of any and all applications relating to 5g installations that have been approved or submitted for consideration to Blackpool Council along with the Public Consultations involved and the outcome of these applications.
