9th October 2019

Dear Sylvia,

I am writing to confirm that we have now completed our search for the information, which you requested on 12th September 2019.

A copy of the information is below. Please note that due to the small numbers of roles in the some of the areas, we have grouped the areas to ensure that staff members are not easily identifiable.

I can confirm that there's no role title that comes under the 'Trainee Inspection Drivers' on our reports. However, we do have role titles that includes the word 'Inspectors' in their job titles in our Asset Delivery teams 1-14 from 01/04/2017 to present. Please see below list:

Area Number	Number of Employees that has the role title 'Inspectors'
1+2	16
7+10	14
13+14	5

I can confirm the above employees are all on substantive contracts. We currently do not have any employees on the above role as on fixed term contract. The above employees haven't came through by any agencies. We did not use any agency staff for the above roles from 01/04/2017 till present.

If you are unhappy with the way we have handled your request you may ask for an internal review within 2 months of the date of this response for Freedom of Information requests and within 40 days for Environmental Information Regulations requests.

Our internal review process is available at:
