Notes/Caveats:

1. Intake includes untrained other ranks in the Regular Army only and therefore exclude Gurkhas, Home Service battalions of the Royal Irish Regiment, Full Time Reserve Service, Mobilised Reserves, TA and all other Reserves.
2. Intake figures are the occurrence of intake and therefore include some individuals who have entered into the Untrained Army more than once. The same person could appear over different years or the same year as both under and over 18.
3. Some Other Ranks are known to go direct to Sandhurst to complete officer training.
4. Other parts of the army include Called Out Reservists, FTRS, High Readiness Reserves, MPGS, Sponsored Reserves and Volunteer Reserves.
5. Age is calculated using an individuals date of birth and the date they entered Untrained strength as recorded on the Army Administrative System at the time.
6. Those no longer serving is an estimate, based on the total Intake minus those who are still serving ten years later and therefore represents all those who are no longer serving in any element of the Army.
7. Intake in financial year 2006/2007 is for an 11 month period from 1 April 2006 to 28 February 2007 due to the introduction of new Army Administration Process and therefore may not provide a direct comparison.

Rounding

Figures have been rounded to 10 for presentational purposes; numbers ending in "5" have been rounded to the nearest multiple of 20 to prevent systematic bias. Totals and sub-totals have been rounded separately and so may not appear to be the sum of their parts. "-" denotes zero or rounded to zero.
