Digest of material

Katrina Williams (KW) call with Olly Buston (Jamie Oliver Food Foundation) – Thursday 30 January 2020, 12.00 CET

KW spoke by telephone with Olly Buston, who is head of policy and advocacy for Jamie Oliver Group.

A positive discussion focused mostly on the Bite Back 2030 campaign to tackle childhood obesity, with which Oliver and Buston are involved

[Redacted]

KW noted the impacts of climate and biodiversity on diets in the medium to long term, for instance the sustainability of current choices.

KW also covered the broader timeline of the Government's FTA negotiations.

Readout from call with Professor Martin Siegert - 19 November 2019

1. Professor Siegert gave some background on the KICs
[Redacted]
2. He moved on to discuss the Climate KIC specifically, which had as its objective to the support education and innovation to drive the zero-carbon transition.
