Dear Aciel Park,

Your request was received on 2 April 2020 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

May I know the A level scores (or equivalent qualification), BMAT scores and interview scores for all international applicants who applied for Medicine (A100) in the 2020 UCAS cycle, as well as their application outcome?

This information is not held as the 2020 application cycle is ongoing. Please note in any event that the University does not hold any information about interview scores: all interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority under the Act.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).

Yours sincerely,
