Dear Mr Carroll,

Re: FOI-275438429 Sheepwash Lane landfill site licence SL434

Thank you for your Freedom of Information request dated 23 November 2020 in which you asked:

"Please provide by electronic means the full waste disposal site licence SL 434 latterly reissued as 644/94.

Could you also provide a map of the site as it appeared and the area which it now occupies and summary of when this licence was surrendered. Could you also indicate if any additional modifications were made to the license or at the site during the life of the license in respect of additional materials that could be deposited".

Having considered your request, we have provided the following returns:

Please find attached a copy of the Licence to Dispose of Waste, number SL434, and subsequent notices of modification. These documents represent all the licence information held by Sandwell Council relating to the landfill site at Sheepwash Lane, Great Bridge, West Bromwich.

Please also find attached a map of the site as requested. This shows the boundary of the landfill as it is understood to be, although due to the quality of historic information there may be variations in absolute accuracy.

The plan shows the landfill boundary superimposed over present day mapping (accurate to the date of issue) and hence should provide the requested information.
