A sound limiter will be fitted so that spot check readings can be taken and recorded during the event.

Speakers will be arranged so that they point away from local residents.

Doors will be kept close to further reduce the noise level.

Live music will cease at 12 midnight.

Recorded music will cease at 12.30am.

A cooling down period will be instigated for the last 30 minutes of music duration.

Corporate Entertainment – Clay Shooting & Conferencing

Corporate events taking place at Gorse Lodge will consist of use of the conference facilities together with use of the clay shoot ground for which planning permission has already been granted.

TRANSPORT STATEMENT

Gorse Lodge is currently being used as a Clay Shooting Ground.

The average number of day visitors attending the Shoot on any given day is approximately 40. This would give an average number of vehicles visiting the site of 20 – 30.

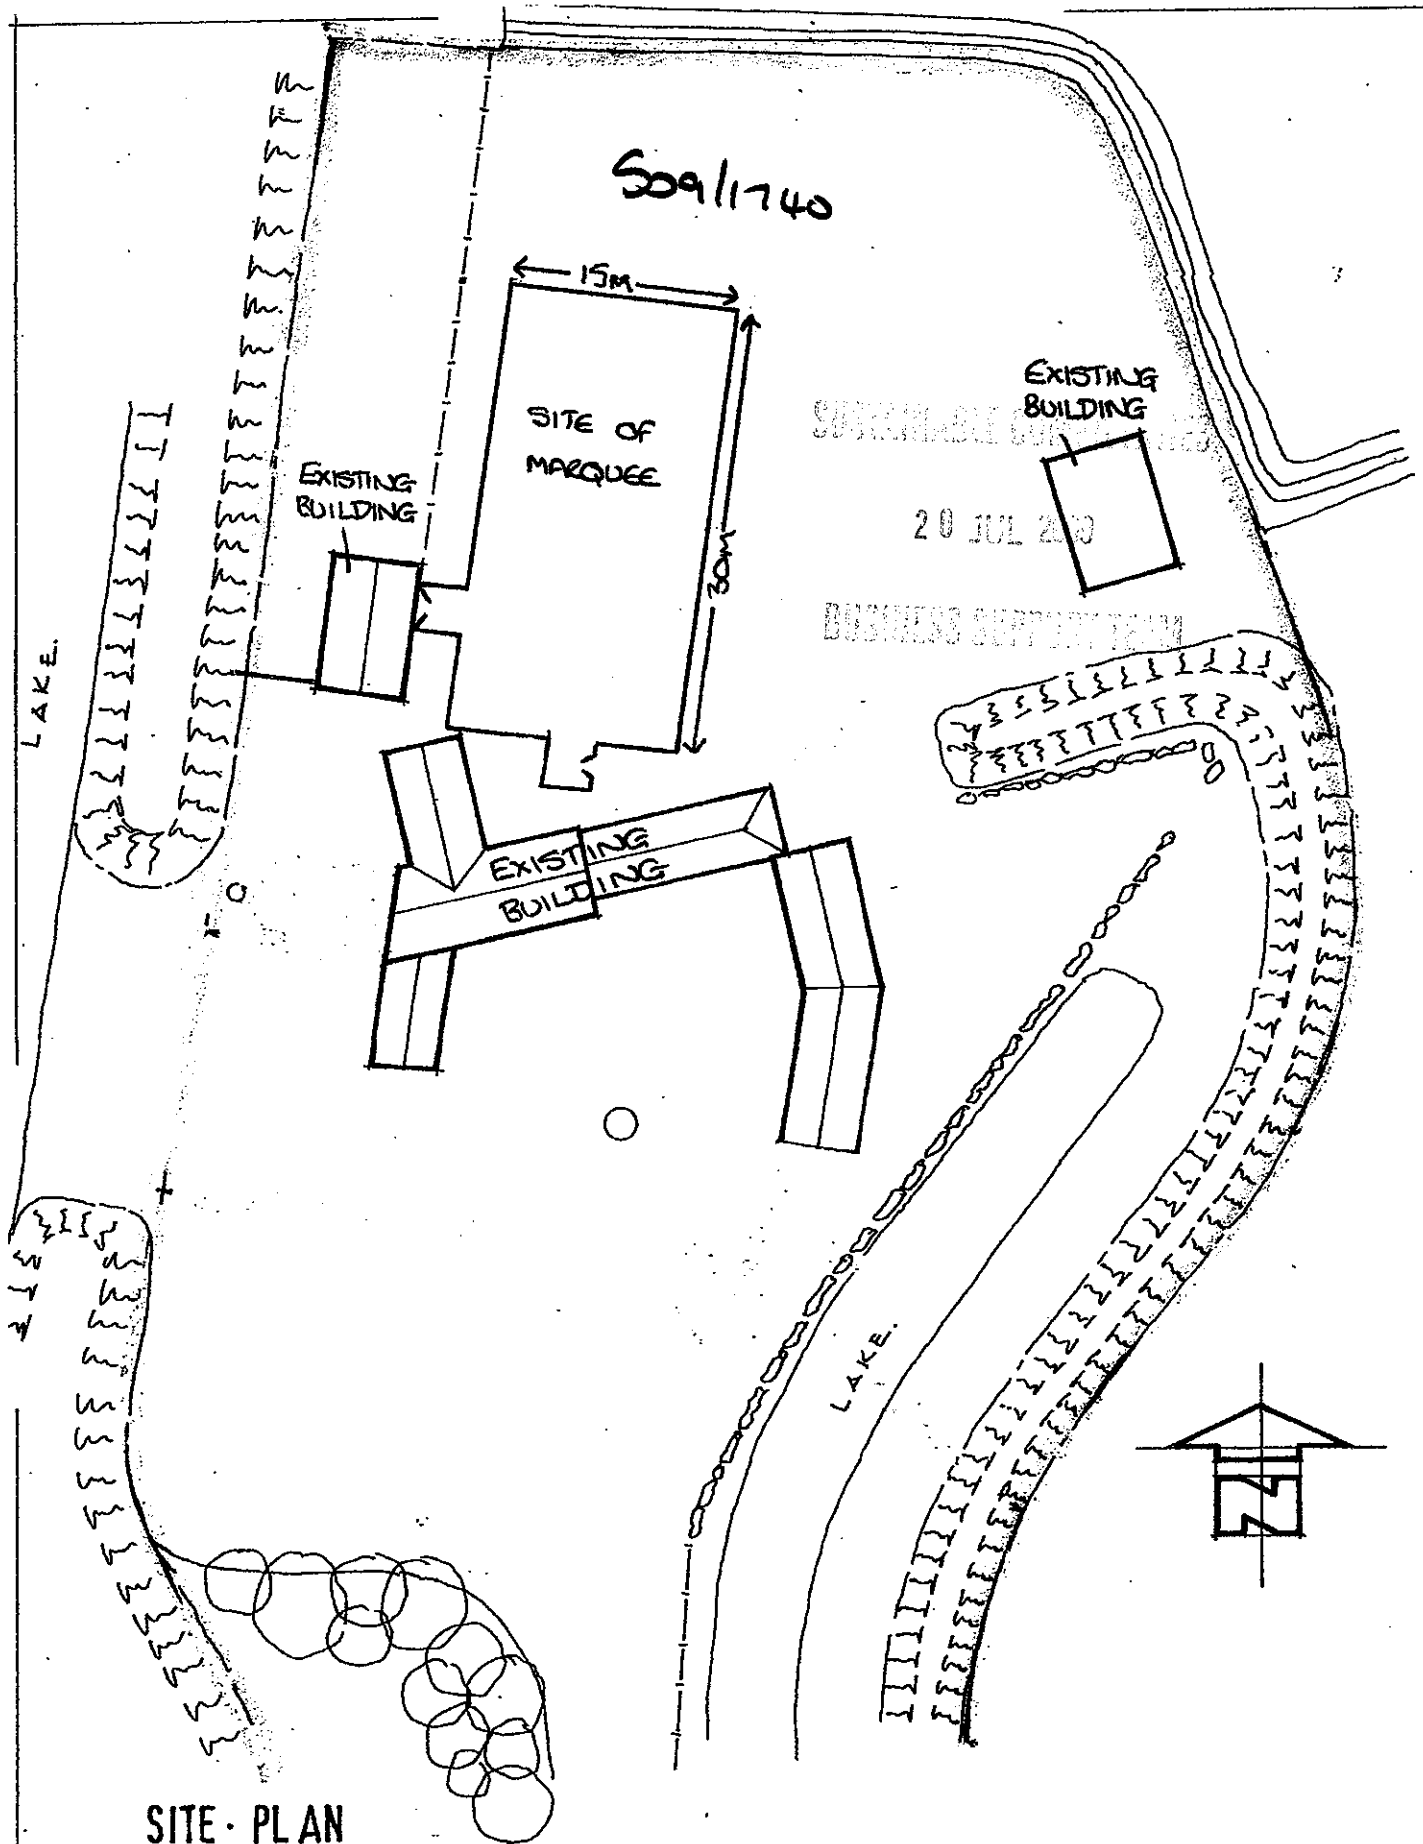

As most Weddings average around 40 – 80 guests and most corporate days are less than 50 we would not expect the average number of vehicles to exceed those currently visiting the site for clay shooting.

The number of service vehicles which visit Gorse Lodge will not increase.

Parking Provision

Car Parking is situated to the rear of the Lodge and is accessed from Moor Farm Lane.

The area allocated for parking is approximately 35m by 80m.
