Good Morning [REDACTED],

Hope you are well! [REDACTED] email from [REDACTED] who advises [REDACTED] has contacted you to request use of [REDACTED] car park but is asking our Council internal security/building protection dept ([REDACTED]) to provide the access. Obviously the Council has no authority to approve this so I am advising you of this request.

[REDACTED] only have permission to open the front door of [REDACTED] The Parade and film a fake entering, they do not have permission to enter the building (for safety reasons) and [REDACTED] have been requested to open and close the building and deactivate/reactivate the alarms for them. If you've permitted [REDACTED] to use your car park this week, would you like [REDACTED] to unlock & resecure the car park for you at the same time too?

Hi [REDACTED],

Thank you very much for your co-operation with this. Can we please have access from 0900 on Thursday 27th November please. We finish filming at 0030. One of my team members could call through say half hour before we finish so that you can lock up?

I have spoken to [REDACTED] this morning about the possibility of using the back car park to park our crew cars. Still waiting for [REDACTED] to confirm of this is ok. If you're responsible for the car park we would like this opened from 0900 if possible?

As for East Grove lane - we would like to film here between 1530-1830 if possible?

Many thanks

Hi [REDACTED]

I have just spoken to [REDACTED] [REDACTED] have a look at the scenes to see if we can do an alley scene first (which is around the corner). If so then a 1730 closure would be fine.

I'll know the answer tomorrow at some point.

Thanks,

HI [REDACTED],

With regards to the below as the xmas embargo will be in place and shops re-open so to assist you in carrying out this shot could you possibly go later on the closure say from 5.30pm, or do it under lights?

Thanks

Hi [REDACTED],

Good to talk to you on Friday. As discussed I submitted an application for a road closure on The Parade through the Council website. Literally the day after I applied our date changed!
If possible we would like a closure on The Parade on Thursday 26th November between 1530-2300. We are filming at a Council property and will be outside on the road.

Please find attached a TM plan I just had [REDACTED].

Many thanks,

Hi [REDACTED]

I hope this email finds you well. Further to our several visits to the House on The Parade, Cardiff, I can confirm that we would love to feature this as a location in an episode of [REDACTED].
The filming for this sequence is fairly straightforward. We will only feature the outside of the property. It's scripted as a spooky house where one of the characters is drawn in by an alien force! We see the character walk towers the house, open the front door, walk in, but then we pick [REDACTED] up in a vast alien landscape! [REDACTED]!!

If possible we would like to have a tech recce on Tuesday 27th October at 0900? Can you arrange for someone to meet us on site as we would like to see the front door open and art department will need to measure the door as we may ask to replace the door with a more authentic one. We would obviously put everything back to how it was on completion of the filming. The recce should only take 30 minutes or so.

Diolch yn fawr,
