Dear Barbara Jones

I refer to your request where you asked:

“Tier 4 Lockdown

Dear Prime Minister's Office,

Today Boris Johnson announced restrictions on Christmas over London.

Please send all the science that you have on this date for that to be done that was different to 3 days ago, when he said it was not necessary.

Please give me the number of PCR cycle thresholds used for any data on numbers of infections, and which laboratories they were tested at.

Please also tell me which FOI address to use for SAGE”

I am writing to advise you that following a search of our paper and electronic records, I have established that the information you requested is not held by the Cabinet Office.

You may wish to try contacting The Scientific Advisory Group for Emergencies (SAGE) at this link sage@go-science.gov.uk, or Department of Health and Social Care at this link: <https://contactus.dhsc.gov.uk/>, who may be able to help you with your request.

If you have any queries about this letter, please contact the FOI Team quoting the reference number above.

If you are unhappy with the service you have received in relation to your request or wish to request an internal review, you should write to:
