Dear Duncan Willows

We refer to your request where you asked:

"In your reply you state : [University accommodation] "is a residence where people live".

Can you please tell me does the same restriction of movement at section 6(1) of the Health Protection Coronavirus Regulations apply to students in their University home as it does to and ordinary person living in a 2 bedroom home or a council owned high rise flat?

The information you requested is held by the Cabinet Office. Under these regulations, students that were living at university accommodation at the time were subject to the same legal restrictions on their ability to leave the place that they were living, with reasonable excuse, as anyone else.

If you are unhappy with the service you have received in relation to your request or wish to request an internal review, you should write to:

Rachel Anderson
Head of Freedom of Information
Cabinet Office

email: foi-team@cabinetoffice.gov.uk

You should note that the Cabinet Office will not normally accept an application for internal review if it is received more than two months after the date that the reply was issued.

If you are not content with the outcome of your internal review, you may apply directly to the Information Commissioner for a decision. Generally, the Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the Cabinet Office. The Information Commissioner can be contacted at:

The Information Commissioner's Office

Yours sincerely
