Dear Billy

Freedom of Information Request ref FOI122

We write in connection with your request for information which was received by Northern Trains on 05/05/21:

“please may I have the driver and conductor diagrams and schedule cards for Hull Dated For May 2020-Dec 2020 i dont want when arriva ran Northern or When DfT Taken Over im wanting Them Dated for When Covid 19 went out”

Under section 1 (1)(a) of the FOI act we can confirm that we hold this information. Please find attached a folder containing the requested diagrams and schedules.

Between May 2020 and December 2020, the COVID pandemic meant there was no operation of full timetable plan during this period. Between May and September, a number of different contingency timetables were operated based on lower passenger numbers and the impact on train crew resource available due to COVID restrictions. A revised base timetable plan was put in between September and December 2020. The attached therefore contains a large volume of files due to the nature of the contingency planning that was undertaken in 2020 due to COVID.

We hope this information is of use to you.

Yours faithfully

Steve Brennan, Franchise Compliance Manager
