Dear Ms Chen,

Your request was received on 16 August 2021 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I would like to request the following information regarding admissions to the BA Law course (M100) in the 2020/2021 admissions cycle:

1. The number of applications each college received (both direct and open); 2. The number of applicants receiving an interview in each college; 3. Of the number of applicants receiving an interview in each college, the number of offers made by each college; 5. Of the total number of offers made by each college, the number of direct offers made; 6. Of the total number of offers made by each college, the number of winter pool offers made.

We do not hold information about interviews; all interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority under the Act.

The other information requested is published in the graph generator at <https://www.undergraduate.study.cam.ac.uk/apply/statistics>

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints
