Dear [REDACTED]

Please find attached a revised amendment letter, extending the contract until 31<sup>st</sup> December 2011.

I look forward to receiving two signed copies of this letter.

Best wishes

[REDACTED]

No problems but can we extend the contract to end 2011 to be sure?

**Subject:** RE: Human Health Risk Assessment - Rhodia UK Draft Contract

Dear [REDACTED]

I have been reviewing my contract portfolio and it has come to my attention that our contract with Rhodia expired on 31<sup>st</sup> December 2011. I understand that Rhodia would like us to still carry out the assessment we have been asked to do, and therefore in order to formalise this, I attach a letter of amendment which extends the end date of the contract to 31<sup>st</sup> July 2011.

I hope this acceptable to you, and I would be grateful if you could print and sign two copies of the letter and return them to me for countersignature.

Please do not hesitate to contact me, should you have any queries.

Best wishes

[REDACTED]

Apologies for the delay but Rhodia are happy to proceed with this now.

I will send a scanned signed contract shortly and place two copies in the post.  
I can confirm we do own the land.  
I will arrange the raising of a Purchase Order for the fee

[REDACTED] - Once all above is done I suggest we talk to discuss how best we can get the missing info

Regards

**Importance:** High

Dear [REDACTED]

I'd like to introduce myself as the business support to [REDACTED] and [REDACTED]. I will be assisting them with the contractual elements of the work relating to conducting the independent human health assessment of the Rattlechain Lagoon for Rhodia. Please find attached a draft contract for your consideration.

I understand [REDACTED] has already confirmed that the HPA would be happy to undertake the work, but that there is a requirement for information before the Risk Assessment can be carried out. I have included a clause in draft contract which covers the provision of this information by Rhodia UK before the specified work can commence.

In addition, I would be grateful if you could confirm whether Rhodia UK own the land on which the risk assessment will take place? If not, Clause 8.1 will need to be amended appropriately.

If you are content, please print and sign two copies of the agreement, returning them to me at the following address for counter signature:

Could you please also return a scanned copy of the signed contract to me by email.

Please do not hesitate to contact me if you have any contractual queries. Technical and scientific queries should still be directed to [REDACTED] or [REDACTED]

I look forward to working with you.

Best wishes
