Dear Mr Martin

### **Freedom of Information Request Reference N<sup>o</sup>: FOI 365/11/12**

I write in connection with your request for information received by the Norfolk Constabulary on the 17<sup>th</sup> October 2011 in which you sought access to the following information:

How many Employees of the RSPCA, or individuals working on behalf of the RSPCA are authorised by your Police Force to make PNC, STORM or other information/data enquiries on all or any systems you operate.

Please specify if these individuals have direct or indirect access to such information and systems.

Please also specify which information systems they have access to.

Norfolk Constabulary holds information relevant to your request.

### **Response to your Request**

The RSPCA has a local information sharing agreement with Norfolk Constabulary. The RSPCA undertakes prosecutions in relation to persons who have committed offences involving animals. Within Norfolk these prosecution details are updated onto the Police National Computer (PNC) by Norfolk Constabulary and PNC information is provided in support of these. In addition to this, the Constabulary will undertake vehicle checks in support of an ongoing investigation.

As detailed in our previous response there are 9 members of the RSPCA who are authorised to undertake these enquiries with Norfolk Constabulary.

RSPCA officers do not have direct access to any police systems.

This response will be published on the Norfolk Constabulary's web-site [www.norfolk.police.uk](http://www.norfolk.police.uk) under the Freedom of Information pages at [Publication Scheme - Disclosure Logs](#).

Should you have any further queries concerning this request, please contact me quoting the reference number shown above.

Yours sincerely,

Amanda Gibson

We will answer letters within 10 working days, where information is available.  
Where this is not possible, an explanation will be given for any delay.
