Response

1. Please find attached

2a. Cycling Level of Service tool in LTN 1/20 was not used

2b. LTN 120 was not used to design the scheme as the feasibility and prelim design was undertaken between 2018/19. TfL Healthy street assessments were undertaken but these were done using the format prior to LTN/120

3a. As in 2a above.

3b. As in 2b above.

Please quote the FOI reference number provided above in any future communications.
