Notes	Apply/Entry Years	<b>Apply Year</b> - figures are grouped by UCAS application year. The 2022 application year ran from applications opening in September 2021 to Confirmation in August 2022. <b>Entry Year</b> - figures grouped by entry year includes standard entry applications from the 2022 application round and deferred entry applications from the 2020/2021 rounds.
	Application Changes	Please note that some applicants move between Colleges and Courses during the admissions round.
	Acceptances	The figures included reflect the number of accepted applicants i.e. applicants who have no outstanding offer conditions and have accepted Cambridge as their Firm choice institution via UCAS. Subsequent withdrawals are not taken into account and so these figures may differ slightly from actual entrant numbers.
