Note:

- 1 Fee status is not the equivalent of domicile.
- 2 The University of St Andrews operates a three year BSc (Honours) Medicine programme that has UCAS code A100. Graduates of this programme then go on to complete an MBChB/MBBS qualification at a Partner Medical School. The following data refers to UCAS applications to this course only.
- 3 <https://www.st-andrews.ac.uk/subjects/entry/contextual-admissions/>
- 4 The funded and clinical places are regulated and controlled externally to the University and are available from the SFC website (www.sfc.ac.uk/funding/funding.aspx). Penalties apply if institutions do not keep within these number controls.
- 5 2019/0* data correct as of 9/9/2019
- 6 Interview data isn't collected in a reportable format until end of cycle data is compiled. As such interview data is only available for complete entry cycles
- 7 Acceptances reported for in cycle data refers to firm acceptances only. For end of cycle data acceptances refers to firm and insurance acceptances. As such the two figures are not comparable.
