Dear Omar Alghaith,

Your request was received on 12 October 2017 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I would like the BMAT Scores and corresponding A-level grades as well as UMS Scores and IGCSE grades of Overseas applicants that have been offered a place for A100 Medicine, in the previous cycle.

The requested information is attached. Data for offer holders that did not have both BMAT scores and A Level grades have not been included. Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should write to Dr Kirsty Allen, Head of the Registrary's Office, quoting the reference above, at The Old Schools, Trinity Lane, Cambridge, CB2 1TN or send an email marked for her attention to foi@admin.cam.ac.uk. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).

| Notes | Application Year | Figures are grouped by UCAS application year. The 2017 application year ran from applications opening in September 2016 to Confirmation in August 2017. |
| | GCSE | GCSE qualification information is supplied as declared by applicants through their UCAS application. |
| | SUMS | <p>SUMS data is comprised of Science UMS only based on any number of Science-related AS Levels.</p> <p>A Levels in England are currently undergoing a period of significant reform. Many applicants applying from October 2016 onwards will be following linear, rather than modular, A level syllabuses meaning that UMS is no longer available in a number of subjects. UMS and SUMS data provided in this request is as supplied by the applicant at the point of entry, but may also include linear marks incorrectly presented as such.</p> |
