Dear Hajra Badat

Freedom of Information Act 2000

I can confirm that the information requested is held by University of Nottingham. I have detailed below the information that is being released to you.

You requested-

For 2020 entry, how many students who missed their offers on results day, were given deferred entries and were made to either sit summer or Autumn exams?

No Students were asked by the UoN to defer and take Summer or Autumn exams. However, this does not include the numbers of students who submitted a request to the UoN to defer, the figure for this is less than 5. Where figures are extremely low, we do not provide the exact numbers in accordance with Section 40 of the FOIA- Personal Information. In releasing the exact figures as data controllers we feel this can make students identifiable, therefore we anonymise this number in accordance with our obligations under the Data Protection Act 2018/GDPR.

Please quote the reference number 633805 in any future communications.
