Dear Ms Keene

Freedom of Information request: Contingent Valuation Study

I am writing to confirm that we have now completed our search for the information, which you requested on 2 March 2017.

A copy of the report is attached.

As the names of the third parties who produced the report constitute personal information as defined by the Data Protection Act 1998 they have been redacted under section 40(2) of the Freedom of Information Act 2000. The third parties have not provided their consent for their names to be released, consequently subsequent disclosure would therefore be unfair and constitute a breach of the first data protection principle.

Most documents supplied by Highways England will be Crown Copyright. Most Crown Copyright information can be re-used under the Open Government Licence. For information about OGL and about re-using Crown Copyright information please see The National Archives website.

If you are unhappy with the way we have handled your request you may ask for an internal review. Our internal review process is available at:

If you require a print copy, please phone the Information Line on 0300 123 5000; or e-mail info@highwaysengland.co.uk. You should contact me if you wish to complain.
