A46 Link Road Phase 2

Dear xxxxxxxx,

This letter is to confirm the decision of Ministers to make a further funding contribution from the Department for Transport of £417,000 for development work in 2018/19 on the A46 Link Road Phase 2 Scheme up to and including the production of an Outline Business Case (OBC) as defined in the DfT's Transport Business Case guidance.

Grant will be paid to you in full within this current financial year as a single payment under Section 31 of the Local Government Act 2003 and is awarded subject to the following:-

- The funding is to undertake work on the A46 Link Road Phase 2 as described in the application for funding in the Large Local Major Schemes programme and should not be used for any other purpose. Any significant updates or changes to this scope should be agreed with DfT.
- The development work to be undertaken and the OBC to be produced will be consistent with the DfT's Transport Business Case guidance and Transport Appraisal Guidance (WebTAG).
- Coventry City Council is responsible for meeting all costs of producing the OBC over and above this grant.
- A DfT representative may attend Project Board meetings as observer and Project Board papers and minutes should be provided to DfT on request.
- In general, updates of progress, and information on work carried out should be shared to DfT on an open and transparent basis and no reasonable request for information withheld.

I attach a grant determination for 2018/19.

Please confirm that you are content to accept the grant on the terms described above and we will then make arrangements for payment of the grant.

Yours sincerely
