Subject: Freedom of Information request - A list of healthcare facilities in UK

Dear Department of Health and Social Care,

Under the Freedom of Information Act, could you please provide a current list of all the healthcare institutions in the United Kingdom with the Name of the Institution, Status, Facility Type, Address, Contact Telephone Number, Number of Bed Capacity (if available), Name of Facility Administrators, and Facility Administrator Email Addresses? If this could be provided in a .csv format, it would be greatly appreciated.

If the facility administrator, their phone numbers, and/or their email address are unavailable, an alternative email address and phone number would be appreciated.

Thank you.

Yours faithfully,

Deniz Karaca
