Subject: Proposed Underground Gas Storage facility at Preesall, Lancashire

Dear

I am writing to you as the Chief Executive of Halite Energy Group, developers of the proposed Underground Gas Storage facility at Preesall in Lancashire.

Further to the recent Court judgment, I would like to meet with you to discuss the current position on our project. I appreciate that there will be things you are unable to talk about given the legal proceedings but I think that a conversation would still be beneficial.

I am happy to work around your own diary for a meeting at DECC this week.

Perhaps you could let me know when might prove most convenient for you?

Yours sincerely,

Chief Executive Officer
