Hi [REDACTED]

Hope you had a good weekend.

As [REDACTED] is still away, please could you confirm that a segregated walking route has been arranged at Chichester station, for persons of restricted mobility using the lift as the level crossings are closed?

Let me know if you need anything.

Kind regards,
[REDACTED]

[REDACTED], please can you confirm that arrangements have been made with Chichester Station, re the segregation of public on the platform areas, whilst accessing lifts? As of Friday [REDACTED] had received no contact?

Thanks

Hi [REDACTED]

Yes, my intention is to visit Bosham and Chichester stations ahead of the blockade, so if we have station contacts beforehand that would be fantastic. Thanks [REDACTED]

Kind regards

Hi [REDACTED]

Can I just check that as part of your site visit to Chichester on Tuesday you are going to review with GTR and just agree the pathing/fencing required on the platforms to ensure safe access for public to the lifts?

If not already agreed, then [REDACTED] (area manager – copied above) can you give you the specific contact at the Station to review with.

Many Thanks
[REDACTED]
