Hi [REDACTED]

Please see details below of our proposed plans for segregation.

If you have any queries or concerns with it please drop me a line or give me a call back.

My scheme project manager, [REDACTED] is back from AL tomorrow so I can find out who exactly he spoke to at the station but apologise for this not being directly with yourself in the first place.

Kinds regards

I've tried calling [REDACTED] regarding the segregation of the station during the blockade and left her a voicemail.

Would you have a e mail address I could contact her on aswell?

Essentially we intend to install fencing to enable access on the platform to the lifts, toilets and shop. This will be put up Fri night / Sat morning. We will then remove this Sun night in readiness for the station to open Monday. We will then repeat the process the following weekend when the possession extends out again to cover the station.

Kind regards
