

Barnham-Havant Blockade
Meeting with West Sussex County Council, 11th July 2019

Attendees: [REDACTED] (NR), [REDACTED] (NR), [REDACTED] (NR), [REDACTED] (Streetworks NR),
[REDACTED] (Colas), [REDACTED] (GTR), [REDACTED] (WSCC).

Chichester: Stockbridge and Basin Road LX closures

Impact on Stagecoach Buses

Impact on Access to Nearby Businesses

- Basin LX and Stockbridge LX will be closed at the same times. Access into Chichester town centre will take longer.
- Bus station is by Basin LX. Anything approaching bus station from the south cannot cross due to crossing closures.

- Police station is on Basin Road.
- **ACTION: NR to notify police of upcoming crossing closures ([REDACTED]).**
- **ACTION: [REDACTED] to set up tabletop exercise for emergency services.**

Impact on Pedestrians

- Vehicles will be able to follow diversions, but pedestrians crossing is harder to resolve. Could use footbridge but not suitable for those of restricted mobility.
- No lifts at Chichester station.
- Crossing from the north side - can use footpath through bus station. 15 minute diversionary walking time.
- Crossing from the south side is a problem requiring resolution.
- **ACTION Consider a shuttle bus or a mobility taxi ([REDACTED]).**
- **ACTION [REDACTED] to check with community team to see where we did this before.**

Bosham: Bosham LX Closure

- WSCC have advised that they accept in principle the Bosham LX closure.
- Diversionary route acceptable.
- Fishbourne LX will be open.

Brooks Lane LX Closure

- **ACTION check Brooks lane is a PROW or not. ([REDACTED]).**
- If not a PROW, a permit is not needed for the closure.
- If not a PROW, [REDACTED] can do branded signage to inform pedestrians of crossing closures, and we will fence off.
