Dear Mr Sullivan

I write in response to the above-referenced Freedom of Information Act (FOIA) request submitted on 07/08/2017. Thames Valley Police has now considered this request, which for clarity, has been repeated below:

<u><b>Request</b></u>	<u><b>Response</b></u>
<p>Accident statistics involving road vehicles for the A412 Uxbridge Road Junction with Black Park Road, Wexham, for the period 01/01/2000 to present. To include all accidents within 100 metres of this junction. Accident details to include date, time, Circumstances, and Contributory factors, and any police investigation comments. *Comments regarding the contributory factors for the accident. ie drink driving, drug driving, speeding, Road vehicle positioning, Road vehicle direction of travel, weather condition, light or dark. I hope this helps.</p>	<p>This request is being refused under <b>Section 12(1)</b> of the FOIA.</p> <p>Section 12 of the FOIA allows that public authorities do not have to comply with section 1(1) of the Act if the cost of complying would exceed the appropriate limit. In accordance with the Freedom of Information Act, this letter represents a Refusal Notice for this request.</p> <p>Some of this information is not held in an easily retrievable format. Non injury (damage only) collisions are not separately recorded and would therefore require a manual trawl through call logs for the relevant area, going back seven years (the standard retention period for records on this system). This will exceed the appropriate 18 hour time and £450 cost limit.</p> <p><b>Section 16:- Further advice &amp; assistance</b></p>

	We have continued to provide information where possible relating to injury collisions, as attached. The provision of this data does not affect our legal right to rely on Section 12 for the rest of your request.
