From: Sophie Bickerton – *whatdotheyknow.com*
Subject: College rents and bed capacity
Reference: Fol-2019-20-43

Your request was received by Trinity Hall ('the College') on 22 June 2020 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

Please provide a minimum, maximum and mean price per week for beds in the following categories of college accommodation for the 2020/21 academic year. Please also provide the total number of beds in these categories for the 2020/21 academic year.

Categories:

- Shared Bathroom & Self Catered
- Shared Bathroom & Catered
- En-Suite & Self Catered
- En-Suite & Catered

For catered beds, please specify if the price includes the meals or if that has an additional cost. Please provide this information in an Excel spreadsheet in a table with the accommodation category as the index and prices and bed numbers as the columns.

Please provide a list of all the different prices per week that students are charged in college accommodation with the number of beds at that specific price.

Due to the effects of Covid-19, at the current time we are unable to provide information about mean prices per week or the total number of beds available for 2020-21. Planning is ongoing to determine, in line with guidance from central government and Public Health England, which rooms it will be possible to make available.

General information about minimum and maximum room prices for 2020-21 is available from our website: <https://www.trinhall.cam.ac.uk/study-with-us/life-trinity-hall/accommodation/> . All prices are room only, meals are charged separately.
