

Kent County Council  
Highways and Transportation Department  
FOI/14/0323

**Revenue spend on walking and cycling 2013-14:**

Maintenance of £230,000 for off-road cycle tracks (due to the cycle networking being both on and off-road, the diversity of maintenance work and its reactive nature, Kent County Council is unable to provide a definitive figure for the total amount spent on maintaining the entire network).

Mobility and Safety Team funding of £188,000

Income of £127,000 (Department for Transport) and £28,000 (schools) towards delivering Bikeability Cycle Training.

**Capital spend on cycle infrastructure 13-14:**

Brisley farm link Ashford, Restricted Byway upgrade surfacing - £13,000

Department for Transport and ATOC on 4 Brompton Docks and 80 bikes - £25,000 from Local Sustainable Transport Fund for installation, maintenance and management £130,000

Improved cycle storage as part of wider Margate Station scheme - £5,000

Swale - Great Easthall £200,000

Swale - Thistle Hill - £100,000

Cycle Parking - Swale and Canterbury - £30,000

A255 - Toucan – Department for Transport Cycle Safety Fund - £90,000

**Capital spend on walking infrastructure 13-14:**

There is a programme to introduce dropped kerbs at crossing points of £75,000.
