Notes	Apply Year	Figures are grouped by UCAS application year. The 2020 application year ran from applications opening in September 2019 to Confirmation in August 2020.
	Application Identifier	Applicant information has been anonymized, with each applicant assigned a dummy application identifier.
	Adjustment Eligible	Please note that the figures included here show all students who applied to Cambridge, were interviewed, and were notified of their potential eligibility to apply for Adjustment via their rejection letter in January. The figures do not distinguish applicants who later became eligible by meeting both the UCAS criteria of exceeding their firm offer and the Cambridge criteria of exceeding the typical offer for the subject applied for.
