Dear Mr Dhatt,

Your request was received on 15 January 2020 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

Could I please be given a list of the number of students given offers under the UCAS Adjustment Scheme per college, and within each college which course they were given an offer for. In addition, for the students given offers under the adjustment scheme to read Medicine, could you please provide their BMAT scores, interview scores, the A-level grades achieved and also which college accepted them under the Adjustment scheme. This is all for the 2019 Application Cycle.

The requested information, insofar that it is held, is attached. Information about interviews is not held; all interview processes for entry to undergraduate degree courses at the University are set and managed locally by each of the individual Colleges, each of which is a separate legal entity and public authority under the Act.

The University has not supplied the College of each offer holder because, coupled with the other information, it believes that individuals could be identified as a result. In presenting the information in this way, the University is engaging the exemption at section 40(3A)(a) of the Act because its release would breach the first data protection principle (the fair, lawful and transparent processing of personal data) as set out in the General Data Protection Regulation. This part of section 40 confers absolute exemption under the Act.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

The Old Schools Trinity Lane Cambridge, CB2 1TN

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (https://ico.org.uk/).

Yours sincerely,

Zoe Allwood
