Dear Ms Griffin,

Your request was received on 13 April 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked for:

*A list of every Master's and PhD course offered by the Faculty of Asian and Middle Eastern Studies, Cambridge University in the years 2017/2018 and 2018/2019.  
A breakdown of the number of applicants who applied for each course including the university from which they were applying (including 'Not Applicable'), the number of applicants who received an offer, the number of applicants who accepted an offer, and the number of applicants who achieved their offer.  
If possible can it show the field of study for each applicant (i.e. MPhil in Asian and Middle Eastern Studies (Chinese Studies))?*

The requested information is attached. Note that all previous institutions are included to answer the question "the university from which they were applying". We cannot report on fields of study.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints
