Dear Ms Ho,

Your request was received on 26 May 2022 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

*I would like to obtain the following admission statistics for application into Engineering for IB students:*

- 1) total number of IB applicants for 2019/20, 2020/21 and 2021/22, breakdown by gender, domicile (UK vs international), nationality and ethnicity*
- 2) acceptance rates into each college with breakdown by predicted grades*
- 3) acceptance rates into each college with breakdown on state vs private schools Thank you for your assistance.*

This information is attached. Some suppression has been applied to prevent the risk of any individual being identified. In presenting the information in this way, the University is engaging the exemption at section 40(3A)(a) of the Act because the release of the raw data would breach the first data protection principle (the fair, lawful and transparent processing of personal data) as set out in the UK General Data Protection Regulation. This part of section 40 confers absolute exemption under the Act. Please also note that the answer to Q3 has little meaning because most IB applicants are international.

Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where

there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University.
