24 July 2019

Dear A Worth,

Your request was received on 4 July 2019 (across two emails) and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I would like to request the following data for the admissions of mature students to the University during the 2016 - 2019 entry cycles for the undergraduate History course;

- 1) The number of mature applicants to the University for each year, by college
- 2) The applicants' most recent qualification(s) obtained (e.g. A Levels, IB, Access to HE, etc)
- 3) The applicants' A Level grades, if any, and what year they were achieved
- 4) The age of the applicants
- 5) Whether or not they received an offer, and if so, which college it was from vs. which college they applied to

To clarify, I would like the data linked, i.e. one could see a 65 year old who applied in 2017 with AAA at A Level achieved in 2016 with an offer from Wolfson who applied to King's.

[...]

I would like to add that for 2), where an applicants' most recent qualification is a foundation year, I would request the institution they attended for that foundation year as part of the data.

The requested information is attached. We have separated the data across two tables to prevent the risk of individuals being identified. In presenting the information in this way, the University is engaging the exemption at section 40(3A)(a) of the Act because its release would breach the first data protection principle (the fair, lawful and transparent processing of personal data) as set out in the General Data Protection Regulation. This part of section 40 confers absolute exemption under the Act.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (https://ico.org.uk/).

Yours sincerely,

James Knapton
