Dear Ms Goncalves,

**Request for information under the Freedom of Information Act 2000 (“the Act”)**

Further to your recent request for information held by King’s College London, I am writing to confirm that the requested information is held by the university.

**Your request**

We received your information request on 20th June 2019 and have treated it as a request for information made under section 1(1) of the Act.

You requested the following information:

**Under the Freedom of Information Act, I would like to request statistics regarding the admissions to the MSc Theoretical Physics from 2015 onwards.**

**For each year I would like to know:**

- **Number of applicants**
- **Number of offers made**
- **Number of accepted offers**
- **Universities of undergraduate degree and which had successful applicants**

- Undergraduate final classification of candidates and of successful applicants

Our response

	<b>2015</b>	<b>2016</b>	<b>2017</b>	<b>2018</b>
<b>Number of applicants</b>	68	62	92	66
<b>Number of offers made</b>	48	45	77	39
<b>Number of accepted offers</b>	21	14	31	20

1. Only the first undergraduate degree of applicants was counted within this data (including integrated masters e.g. MSci or MEng)
2. In the final two requests, “successful applicants” was taken to mean anyone with an unconditional offer, either from the point of application or after originally being conditional and meeting the entry requirements
3. Overseas qualifications have been converted to UK system equivalents where possible, and those which would not be converted have been excluded from this data

This completes the university’s response to your information request.
