23 January 2018

Dear Mr Javed,

Your request was received on 21 December 2017 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

Could you please provide the name of the previous institution (inc Cambridge) and grade information (both achieved and predicted as per their application form) for all applicants who applied to the MASt/MMath Part III in Mathematics (Pure, Statistics and Applied) over the past 5 years.

Also could you highlight who was offered a place and subsequently joined.

The requested information is attached insofar as it is held. The attached file only includes information on those who joined the course as a postgraduate student (information is not held about students who progressed from Part II of the Mathematics Tripos at the University). Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should write to Dr Kirsty Allen, Head of the Registry's Office, quoting the reference above, at The Old Schools, Trinity Lane, Cambridge, CB2 1TN or send an email marked for her attention to foi@admin.cam.ac.uk. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).
