Request	Pursuant to the Freedom of Information Act, I am kindly requesting that you provide me with information regarding: (1) the number of graduates from the University of Guyana that were ever accepted into the BCL programme and (2) their undergraduate degree classification (or GPA) upon acceptance.

Dear Mr La Rose,

I write in reply to your email of Wednesday 13 November, requesting the above information.

According to our records, there have not been any graduates from the University of Guyana who enrolled onto the Bachelor of Civil Law (BCL), based on the data that is available to check in the student record system.

The data held by the University dates back to 2005/06 entry.

Yours sincerely,

**FOI OXFORD**
