Your request to access information under the Freedom of Information Act 2000

Thank you for your request for access to information held by the University of Warwick.

We have considered your request under the provisions of the Freedom of Information Act 2000.

Your request

You have requested access to the following information:

I would like to request admissions data on the following courses: BSc Computer Science 3 years MEng Computer Science 4 years

From the 2017 to 2021 cycles, the number of applicants, offers, and acceptances. Also, the median range of number of A*/8-9 grades achieved at GCSE, and the median A level predicted grades held by applicants and offer holders for each of these years.

I would like this data to be sorted by home and international applicants.

I would like to clarify that I am requesting the median number of GCSE A*/8-9s for both applicants and offer holders.

Clarification:

I understand that it would be too cumbersome to send A level and GCSE median grades, so there is no need to send that data.

Please send only the number of applicants, offers, and acceptances for the MEng and BSc Computer Science Courses from the 2017 to 2021 cycles, and please sort this data by home and international applicants.
