Dear Mr MacArthur

Request for Information – ATISN 15156

Thank you for your request for information sent on 20 May. You asked for any information produced since the Senedd general election of 2011 which relates to the matters of:

1. The costs and benefits of switching to metric speed limits and distance signs in Wales
2. How such a change could be effected
3. Whether such a change should be effected.

Please let me know if this is not an accurate description of what you have asked for.

You will receive a response by 18 June 2021. If you have any queries about this request, please do not hesitate to contact me at the address below. Please remember to quote the reference number above in any future correspondence.

Please note: the Welsh Government is facing unprecedented challenges during the coronavirus (COVID-19) pandemic. As a result resources, both finances and people, are being diverted away from many of our usual activities to deal with the pandemic. This will undoubtedly impact on our ability to comply with the normal requirements for information rights work and as a result you may experience delays when making information rights requests during the pandemic. We thank you for your understanding during this time.
