This Trust does not have responsibility for residential care. You need to contact Doncaster Metropolitan Borough Council (DMBC) and also Bassetlaw District Council.

The Communications Department facilitates the FOI process on behalf of the Trust, however the source data itself (the Trust's response) is obtained from many internal Trust departments and resources. If there is anything you need further clarification on, or if you have any issues with the Trust's response, then please direct your questions through the Communications Office in the first instance. Thank you.

Yours sincerely
