Allied Health Professionals Locum Contract

Request details

Please can you confirm whether locum AHP come under the All Wales contract and if not which framework they come under, if any.

Response

Cardiff and Vale University Health Board (UHB) is eligible to use the Allied Professionals and Health Science Services Staff Framework Agreement (Ref: RM959 – CM/AST/08/4966) which is a Crown Commercial Service, used to be GPS. NHS Wales does not have a unique framework agreement, so if there was a need for these services the UHB would use the RM959 Agreement.
