Hi Karen,

I hope that you had a good weekend.

Just to let you know, Richard Tilbrook (The PMs Appointments Secretary) has said that he will decide at the end of the Process if he needs to talk to Pat. As soon as I know anything, I will of course let you know.

I hope that this is of help.

Kind regards
Justin

Thanks for the heads up, Karen - that throws a bit of a spanner in my meeting schedule. I will let you know what Richard says regarding the opportunity to talk to Pat on the phone or via Teams.

Have a good weekend.

Justin

Hi Justin - I am sorry, but Pat now has a personal commitment for next Tuesday (he's on annual leave all next week), but something has come up personally at home which he needs to attend too. Please can you pass on his apologies to Mr Tilbrook for next Tuesday morning? Pat could offer a phone call/teams call when he returns to work the following week as an option?

Apologies Justin. Let me know what you think.

Regards
Karen
