Subject: Land at Barrack Street, Bradfield

Dear [REDACTED]

The planning application for the above site went to Tendring's Planning Committee last night and was deferred, mainly due to a local ward member's supposed concerns that the highway works proposed at the top of Barrack Street would conflict with wider proposals for a footpath on the south side of Steam Mill Road.

My understanding is that there would be no conflict, but I would be grateful if you could confirm this and provide details of the wider footpath proposals if they are available. My understanding is that no plans for the footpath have yet been finalised in any case.

If you are able to come back to me either by email or telephone I would be grateful.

Kind regards,

[REDACTED]
