Further to our discussion, please find below links to

- The 'blue book', which contains details of the TPO register

There is a range of legislation and SIs relating to TPOs. I have attempted to cover them below - hopefully nothing missed.

- The Town and Country Planning Act is the primary legislation covers TPOs, register requirements etc

Prior to April 2012, the 1999 TPO regs (as subsequently amended) applied to the serving of TPOs

- Some limited, minor amendments to the 1999 regs were also made through s23 of The Town and Country Planning (Application of Subordinate Legislation to the Crown) Order 2006
