Dear Mr Gillies

Freedom of Information Act 2000 (FOIA)
Request ID: REQ03522

Thank you for your request for information relating to Allegations of Corruption by Councillors regarding properties.

You have made a request for information under the Freedom of Information Act, however it is unclear what information you are asking the City Council to provide.

As you may be aware Councillors are expected to adhere to a Members Code of Conduct if anyone considers that a Councillor has breached that Code of Conduct they can make a complaint outlining why they consider that the Code of Conduct has been breached and this will be looked into.

It may be that this is what you are asking the Council to consider, you can complete the online complaint form to register your complaint using the link below, and it also has a link to the Members Code of Conduct for your consideration.

Furthermore, If we do not receive a response within 3 months your request will be considered closed. Under Section 1 (3) of the FOIA, a public authority does not have to comply with a request unless any further information reasonably required to locate the information is supplied.

Please remember to quote the reference number above in any future communications.

Yours faithfully
