Dear Ashley

### **Freedom of Information Act 2000**

Thank you for your request received on 25<sup>th</sup> January 2022 about 'Can you please provide the following data for the period 01/06/2021 - 25/01/2022. The number of allocations made by NIHE local offices and Common landlord area. The mean and median points at the point of allocation by local office and common landlord area'. I am dealing with your request under the terms of the above legislation.

In line with government advice on the management of the coronavirus outbreak, it has become necessary to make changes in the way we deliver our services. These changes are intended to protect our customers and our staff while ensuring we continue to provide essential services.

As members of staff are working from home where possible we are currently limited in our ability to complete responses to Freedom of Information requests.

Whilst it is our intention to issue a response to Freedom of Information requests within the statutory timeframe, due to the current situation we are limited in our ability to do so.

Given the unprecedented times that we are all working and living in I would ask for and appreciate your understanding in this matter.

In some circumstances a fee may be payable but if that is the case I will let you know the likely charges before proceeding.

Yours sincerely

Tony Steed
