Dear Sir

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 07 August 2019, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require.

For ease of reference your request is set out below and our response follows:

Your Freedom of Information (FOI) Request:

I write about ambulance waiting times and would be grateful if you could provide me with any information on the following questions:

1. What is the current average handover time for patients in your health board?
2. How many patients have been triaged in 2018-19 in the back of ambulances by A&E staff?
3. How many beds and bays are there currently within your A&E department?
4. On average, how many patients attend your A&E department daily?

Powys Response

I can confirm that PTHB does not provide A&E services at all and only operate a number of Minor Injury Units in Brecon, Ystradgynlais, Welshpool and Llandrindod Wells hospitals. All ambulance emergencies are sent directly to one of our neighbouring health boards or trusts, and I recommend that you contact them directly for this information using the following contact details:
