OK – on assumption [REDACTED] is happy to call off tomorrow (his call and not mine)

Shall we say 12 noon tomorrow at Howden

Allow 90 minutes (hopefully take us less)

Obviously focus on lessons from M/T/W this week and in particular our options for M/T next week

[REDACTED] view is that if we go to MP Road next week we will hit major resistance, noise, politics and media which might stall our momentum. He prefers we 'hit a groove' elsewhere (including Abbeydale PR) and then move to MPR. For discussion tomorrow

Good morning,

[REDACTED] we cancel the meeting today and re-arrange for tomorrow around lunchtime.

I also suggest we stand down the operation for tomorrow due to the weather forecast and look to re-commence on Monday. Collectively, we need all our staff to concentrate on public safety issues and I don't think the conditions will be suitable tomorrow.

Thanks.

Kind Regards,

Figure 1. The effect of the number of trials on the number of correct responses. The number of correct responses was plotted against the number of trials for each condition. The number of correct responses increased with the number of trials for all conditions. The number of correct responses was highest for the condition with the highest number of trials (10 trials) and lowest for the condition with the lowest number of trials (2 trials).

Hi [REDACTED]

I am guided by [REDACTED] as we will provide support. At this stage my plan would be to provide 5 days of action and review daily to determine police resources.

Hope that makes sense.

Kind Regards,

Hi both

I saw Julie by chance today and said we're still planning towards Feb 26 start

She's asked for a bit more detail on the 'programme'

Can you guys sketch out say the first 4 weeks – and show a review at end of week 4

In the first 4 weeks show the Meersbrook Park start date and then a proposed progression across your top 10 sites

Recognise that all good plans change – but think we need to show Julie the plan

I suggested to Julie that we sit down with her asap to talk her through it

Given leave etc – how soon could you sketch out the plan?

I will then sort a slot for us with Julie asap – preferably end of this week or early next
